### FR. RON'S RAMBLINGS

frron@stisidore.church

As I write this on Monday morning, April 9, I am full of gratitude to everyone who made the celebration of my 40th anniversary of ordination yesterday such a wonderful experience for my family and me. Special thanks to Debbie Rak and the Fellowship Committee for preparing and serving the reception (White Castles!) and all who assisted them; the ladies of the Altar Society for their magnificent desert table (special thanks to Barbara for the amazing cake!), Marie Coules and her family for the Mexican food; the Knights of Columbus Color Corp; our Music Ministry and all who made the liturgy so beautiful; Fr. Noel for his kind words at the Mass; and everyone who joined us, or offered "congratulations", prayers, cards, and gifts.

As I mentioned in my homily at the 11:30 Mass, one of the fifth graders in my Religious Formation class recently asked me: "Fr. Ron, what is the best part of being a priest?" My answer: "For me, the best part of being a priest is that I am almost always surrounded by really good people".

## FR. RON'S RAMBLINGS

(Continued from page 1)

I am referring, of course, to the really good people on our parish staff with whom I serve every day, and to the many parishioners who are so actively involved in our parish ministry. That was certainly my experience yesterday. I am truly blessed to be a part of St. Isidore!

Several members of our parish team, including Fr. Noel and me, are leaving today (April 15) for a workshop in Maryland on parish ministry. Please keep us in your prayers. In our absence, Fr. Ron Essman will be presiding at Masses through Wednesday. Please make him feel welcome!  
God Bless You,  
Fr. Ron

## CSA MINUTE

Parish nurses and those who minister in healthcare across the Archdiocese of Detroit gathered this week for a retreat focusing on how to "Be the Visible Sign of Jesus."

The retreat included a presentation by Karen Moore, CEO of Sanctum House, on understanding human trafficking and identifying and interacting respectfully with victims. The program, "We are the visible sign of Jesus," featured Dr. Patricia McDonald, OP, talking about creating our reality with the choices we make, and how our actions create our destiny.

Your gifts to the Catholic Services Appeal support parish nursing in our Archdiocese. Parish nurses, who encourage the faithful to care for themselves and others as an expression of God's love, serve as pastoral staff members, as well as spiritual caregivers, health counselors, and educators, and health resources and advocates.

For more information about CSA-funded ministries, programs, and services, please go to [www.aod.org](http://www.aod.org).

## ADORATION CHAPEL

The Adoration Chapel is now available for all parishioners on Wednesdays and Thursdays from 9 am - 4 pm. If you can commit one hour of your time for worship, please call the church office for more information at 586-286-1700.

## THE RE-EMERGENCE OF PROPHECY IS A RE-IMAGINING OF THE PROPHET

Traditionally, I believe, that we commonly think of "The Age of Prophecy" to end with the last "prophet" of the Scripture. In Hebrew Scriptures, Malachi closes out the "prophetic age", where some Christian scholars extend the end of the "prophetic age" to conclude with the death of John the Baptist. And if we limit our understanding of being a "Prophet" to those identified in Scriptures as "prophets", then indeed the age of prophecy ended with the death of Malachi, or John the Baptist. If one considers a broader understanding of what a prophet is, then we might see that the age of prophecy never ends until the ultimate New Heavens and New Earth of the Parousia. If a Scripture Scholar were asked to name the Prophets, he or she would, most likely recite verbatim the names of all the prophets of Hebrew Scriptures. I imagine that most of us Catholics can only name a few of the "named prophets" of Scriptures. However, I do not imagine that scholar or the general population of laity begins to consider Bob, or Art, or Margaret, or Emily, or ... If we limit our understanding and use of the notion of "Prophet" as reciting by word or action, a specific message given by an angel or other "messenger from God, or even from God, then I suggest we might have too narrow of an understanding of who and what a "true" prophet is made. Walter Bruggemann, a prominent and well-read Protestant Scripture scholar, writes about the notions and functions of the Prophet in his book, *The Prophetic Imagination*. In the very beginning of his book Mr. Bruggemann identifies "The dominant conservative misconception, evident in manifold bumper stickers, is that the prophet is a fortune-teller, a predictor of things to come..." (Page 2) If this is the only image we are capable of understanding, then we do not genuinely understand true prophecy. The "true prophet" is one who is in communion with God and tells the "heart of God", that as Abraham Heschel writes: "Indeed the main task of prophetic thinking is to be able to bring the world into divine focus... The prophet is endowed with the insight that enables him to say, not I love or I condemn, but God loves or God condemns." (The Prophets, page 24) A correct prophetic vision is not what we "see" but understanding how and what God sees.

In Moses' final preparations for Israel to enter into their heritage, at the end of the forty-year trek through the desert, he cautions them from following after "false prophets". The "false prophet" is any person who attempts to redirect devotion away from God to some other false god. (Deut 13) The false gods are not limited to the Baal's or Ashtoreth's, but the gods of greed, self-centeredness and self-interest, the god of accommodation. The false prophet is anyone who tries to divide humanity into "definable groups" – Conservative / Liberal; Pro-Life / Pro-Choice (the intrinsic evil of abortion is in the act, not the person alone) Wealthy / Poor; Labor / Management. Not one single human person chooses the circumstances of their birth, and not one single person is more or less loved by God. Whoever sows seeds of separation, sows weeds.

## RETRouvaille

A program to Help Couples Heal and Renew their Marriages. Do you feel lost, alone or bored in your marriage? Are you frustrated, hurt or angry with your spouse? Are you constantly fighting? Or, do you simply shut down? Have you thought about separation or divorce? Does talking about it make it worse? Retrouvaille can help!

The Retrouvaille Program consists of a weekend experience combined with a series of twelve follow up sessions over the course of six weeks. It provides the tools to help put your marriage in order again. The main emphasis of the program is on communication in marriage between husband and wife. "The apostles were not the only ones Jesus sent into the world. He sends us. Our task is to make the love of God visible in our families and communities. This is what Jesus so beautifully did in His life. If we do the same, our lives will influence others. It is for this that Jesus sends us into the world. Caring for the world means serving those whom God puts into our lives: Our families, friends, communities, and all those who need us." (From Living Faith Magazine)

**S I T E**  
ST. ISIDORE  
TEEN EXTREME

If you read the bulletin in the Christian Service section a few weeks ago, you saw that St. Isidore adopted a stream, that portion of the North Branch of the Clinton River south of 32 Mile Rd, west of Romeo Plank just off the Pine Valley Golf Course.

April 21, a Saturday, at the CRWC office on Auburn, we will be attending a class on identifying aquatic insects. This helps biologists determine the health of the stream by which insects are found and which are not found.

The following is from the Clinton River Watershed Council:

The Clinton River Watershed Council's Adopt-a-Stream program is a volunteer-based program that empowers community members to protect local streams and rivers by monitoring their health. Volunteers are trained, teamed up, assigned stream sites, given equipment, data sheets, and a collection protocol, and then sent out to gather information on streamside habitats, physical characteristics and benthic macroinvertebrate populations. Twice a year – May and October – teams of trained volunteers visit their adoption site and collect data. After the initial 3 hour training session each volunteer dedicates approximately 3-4 hours of their time per year. As you can see, the commitment to this worthy endeavor is not a lot of time and is a tremendous help in cleaning up our waterways, providing recreational opportunities for all of us. If you are interested in nature or biology this would be a great taste of that field!

If you are interested in helping, please call the office, and if I'm not available, leave your name and number and I will get back to you. We will be cleaning the river in the next month and sign update will be out soon!

Peace,  
Matt Hunt
