### FR. RON'S RAMBLINGS

frron@stisidore.church

Today we bring the fifty day-long Easter Season to a close with the celebration of Pentecost. We reflect back on and celebrate the many grace-filled moments we have experienced during this season, beginning with the celebration of the Easter Sacraments of Baptism, Confirmation, and Eucharist with our elect and candidates at the Easter Vigil; the First Eucharist celebrations with one hundred and thirty eight of our first communicants, and the infant baptisms throughout this Season.

Easter is often referred to as the "Season of the Holy Spirit", and I believe it is evident that the Holy Spirit has been hard at work here at St. Isidore throughout these fifty days!

It is a challenge to maintain the joy and energy of Easter through more than seven weeks. We thank everyone who has helped us to do so, including all of our liturgical ministers, and in a very special way our music ministry and the Art and Environment Committee of our Worship Commission. Special thanks to everyone who has joined us for worship throughout the season.

## FR. RON'S RAMBLINGS

(Continued from page 1)

Our efforts to improve our Sunday experience at St. Isidore have recently focused on growing our liturgical ministries. It was with this in mind that we sponsored our Ministry Expos on May 7 and May 12. We thank all the parishioners who joined us for the expo, and are considering joining one of our ministry teams. We are very happy with the success of the expos. We will continue to encourage more parishioners to come forth to serve. I was especially encouraged by the number of our young people who came forth to minister as altars servers! Our young people are giving us a great example of service and stewardship.

This Solemnity of Pentecost marks the beginning of our SUNDAY NIGHT MASS at 5:30 PM. We thank those who have come forward to help minister at this liturgy, and all who joined us. Please spread the word, especially to those with health challenges which make it difficult for them to "get going" in the morning, and to families whose busy schedules on Sunday morning make it difficult for them to join us for worship.

Happy Pentecost!  
Fr. Ron Victor

WE JUST NEED TO.....

This morning Joyce was reading to me from a book "Fast Food Genocide", by Joel Fuhrman, M.D. In some instances, there was nothing new to me about how unhealthy "fast food" is, and how it has been a major factor in America becoming one of the "fattest" nations on earth. What was new to me, and honestly quite frightening was the fourth chapter in the book where Dr. Fuhrman described the history of PELLAGRA in America and around the world. For centuries, pellagra was misdiagnosed as some form of bacteria infection or genetic condition. Eventually, when pellagra was correctly identified as being caused by a diet deficiency of NIACIN, a B vitamin, the findings were largely discounted and neglected because it challenged the diagnosis of "established medical theory" and (I think that this is the most critical point) the idea that people are genetically inferior or superior to others. If the cause of pellagra, a vitamin deficiency that could be prevented by introducing more dark green vegetables into the diet, hadn't flown in the face of "vested interests" perhaps the violence and mayhem resulting from the effects of pellagra could have been avoided.

I am not trying to suggest that the "vested interest" here was the Fast Food industry, in the late 1800's and early 1900's, there was no "Fast Food Industry". The "vested interest" was primarily the concept that people were genetically pre-disposed to violent and antisocial behaviors, mental deficiencies or disease, and the only "real cure" for society's problem was "forced sterilization". The proposal that by simply introducing a B vitamin, Niacin, into a diet could reduce the prison population and those in asylums threatened those industries that thrived on violence and mental disorders. The idea that people were not "genetically pre-disposed" threatened the validity of mandatory sterilization; "perfect societies"; or "master races". The science of genetics is a real and valid science. However, there is a danger, as in every science, to allow one to become so deeply involved with their conclusion, that it becomes their religion. True science, as I have been informed by our son, never claims to have the "final answer" but a reasonable (for now) solution.

A genuine concern is that some believe that people are "naturally" superior to others, and others naturally "inferior". I do not argue against the validity of people having different talents, abilities, and capacities for learning. I vigorously reject though, the suggestion that any person is inferior to another. I am frightened by the popularity of the idea that any society can be made "better" by merely ridding itself of "undesirables". Adolf Hitler tried it with disastrous human consequences. I am frightened by this same ideology becoming popular in America, among people in all Christian faiths. God has never called people to live in "perfect" societies, but to love one another perfectly.

Even in our obsessive technology driven society, we seem to choose to ignore a universal reality of humanity, that in God's heart there is an absolute equality of love. In God's image that is shared by all humanity, there is only one solution – Love one another as I have loved you.

Not ignorance, but the ignorance of ignorance is the death of knowledge - Alfred North Whitehead

## ST VINCENT DEPAUL

The Vincentians of our St. Vincent de Paul Society here at St. Isidore wish you could see the happiness on our families faces as they pick up much needed food to help them get by. The joy they express on anything we can give them. I remember the delight of one little girl when there was mustard in their bag; she said Daddy look mustard! Something most of us take for granted means the world to them. We should reflect on how fortunate we are.

Remember all those smiles this week as you shop for our families needs.

### Our Pantry needs this week are:

- Peas
- Mixed vegetables
- Tuna
- Spaghettios - any brand
- Chunky soups
- Mac & cheese
- Canned chili
- Peaches
- Pudding packs and fruit packs
- Frosting
- Coffee & tea
- Laundry soap
- Dish soap
- Toilet paper
- Women's deodorant

God Bless

## BABY PANTRY

Pastor Mike's Daily Devotion:

(from M. Lutz, Immanuel Lutheran Church)

A man once parked his car on a street. Up came a boy and looked it over. His eyes were wide with admiration of the beautiful car. "Where did you get this car?" he asked. "My brother gave it to me," replied the man. "My, I wish." The man knew the boy was wishing that he had a new car like that. But the lad went on and finished the sentence surprisingly: "I wish I could be a brother like your brother was. I have a crippled brother who cannot get out. I would buy him a car like this." Think about what you might give to someone else and make their day

### Thought for this week:

Isaiah 58:7:

"... Give clothes to those who have nothing to wear..."

### We are almost out of these items:

- New summer clothes for girls sizes: 12mo., 18mo. & 24 mo.
- Baby laundry soap

St. Isidore Church parishioners are always amazingly generous. We are eternally grateful. Lord Jesus, help us to assist others when they desperately reach out to us

## NEW CHRISTIAN SERVICE MINISTRY

Do you like to knit or crochet? How about quilting or surging?

If so, we have an opportunity for you to volunteer. It's an at-your-leisure activity which will enable you to reach out to people who suffer with sickness, pain, loss of a loved one, loneliness, etc.

This is away to touch the hearts of people who need to know that someone cares about them. We will be making small blankets, shawls and hats for parishioners to give to their friends and family members in need of comfort.

Interested? Please complete the form below. Return the form to the church office during business hours or put it in the collection basket.

One of our committee members will call you with additional information. We hope you will consider helping with this worthy project.

Thank you! Prayer Blanket Ministry

for the Festival is one our greatest needs. Did you know that it takes over 700 volunteers to make the Festival happen. We cannot be successful without your help!

As one of the most long-standing and well-attended events in Macomb, we want to make sure that our guests feel welcomed when they attend and enjoy the experience. Please consider signing up for a least one shift (or more!)

We've made it easy for you to do this through our website. Simply go to [stisidore.church/festival](http://stisidore.church/festival) and click on the volunteer link to view and sign up for a shift. Make sure to include your name, phone number and email address. Once we receive your volunteer choices, you will be sent an email confirmation.

The alternate way to volunteer is by a phone call. Call to schedule your work area and date/time (586-336-9006).

Please leave a message if nobody is available and your call will be returned as soon as possible.

Please help to make our parish festival a success with your time and talent.  
Thank you in advance!

## STRAWBERRY PATCH

The Strawberry Festival cannot happen without the generous support of our parishioners. If you're new to the Strawberry Patch, it is similar to the Giving Tree. On each berry is listed an item needed for the Festival such as gift cards, paper products, pop or other non-perishable food item. You are invited to take one (or more if you wish), purchase the item, and return it (with the berry included) to the red bins in the gathering space. The bins will be in place until the week before the festival when the gathering space is needed for the baskets. Please return gift cards to the office rather than the bins so they don't get lost. These small items are a huge help to making the Festival a success.

### The Vision of the Bones

God sent Ezekiel a vision.

In it, Ezekiel was in a valley full of bones. The bones were very dry. What did God ask Ezekiel?

Cross out the words containing D, G, K, P, R, U, W or Y. Then write the remaining words in order in the spaces below.

God asked, " \_\_\_\_\_ ?"

When Ezekiel prophesied to the bones, the bones came together. Flesh appeared on them and skin covered them. But there was no breath in them. What did God say to do?

Move the columns into the right places to complete the passage.

So Ezekiel prophesied and breath entered them; they came to life and stood up on their feet.
