THE PILGRIM'S CORNER

GRATITUDE: TOUCHSTONE OF GREATNESS

It may sound like an exaggeration but, I would say that my three years at St. Isidore has been a "taste of heaven" a benchmark of my ministry. When you're loved unconditionally, you will always be forever grateful. Gratitude is the signature of that experience. In some ways it's easy to be thankful simply for the 'good' things ... yet, a life of rich fulfillment comes correspondingly to those who are thankful for the setbacks; and, my gratitude is part of that, as well.

My joy in my ministry cannot be traveled to, owned, earned, worn or consumed without that profound experience of your accompaniment with love, grace and gratitude. You, at St. Isidore: from parishioners to the welcoming staff family, the enthusiastic hearts of our Leadership Team, to our much-loved deacons and to the exceptional pastoral heart of Fr. Ron, will remain incessantly in my heart; and that I will always be forever grateful for molding me to be a better person and compassionate God's servant!

“

IF TODAY YOU HEAR HIS VOICE,
HARDEN NOT YOUR HEARTS

PS 95:8

”

Your kindness will be a living reminder for me particularly when time comes that our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us: along with those persons, I'd like to thank most especially those persons in the margin that I've visited, my sisters and brothers in the trailer parks, my brothers in the prison, our immigrant communities, our homebound folks and lastly our brothers and sisters in the hospital and nursing homes who've received Christ's anointing and Eucharist through my ministry. I don't have to chase amazing moments to find God – it's right in front of those moments of my pastoral ministry that I did pay attention and practice the virtue of gratitude.

I am deeply aware that even though there are times that I was not able to effectively convey my homilies still I did try my best by God's grace to live by them. However, each moment or occasion that comes here in our Parish gives us an opportunity to recognize the invaluable contributions that everybody makes to our parish community: from our stewardship to our communal worship. It gives us a chance to show gratitude for parishioners' perseverance, dedication, ingenuity and strength, which define our parish's character; its three pillars: to connect, reach and build. Let's continue to pray for one another and THANK YOU!

God bless us all!
Fr. Noel

WERE THE NAZIS WRONG? OR, JUST AHEAD OF THEIR TIME?
I can appreciate the offensiveness of inferring that people who support the allowance for abortion are in some way members of a Nazi party. Throughout human history, there seems to be the ever-present tension between the ways of society, the norms of government and the way of faith. The citizens of Germany in the 1930's, as the citizens of Russia in the 1930's, were in much of the same predicament as the citizens of ancient Rome in the first century; you are either a "loyal" citizen, or you are a "threat". In the ancient Roman Empire, the Communist party, and the Nazi Party, there were some very evil persons. However, I also imagine that there were far more people who were "members" as a means of survival more than acceptance of an ideology. Once the power of the Emperor, Chairman, the Fuhrer is established, it can be crucial to one's survival not to be counted as a "threat" to their society. Thus, I am going to suggest that those same voters who voted Adolf Hitler, Chancellor of Germany in 1933 had no idea of the death Camps to come. I am going to suggest that these voters were just trying to make Germany Great Again.

Some people have bought into the idea that to create a "perfect" society, a "supreme race", an evolutionary program of genetics, and destruction of disordered persons needed to be enacted. (This idea – in rough form – came out of the genetic arguments for forced sterilizations in America.) Once a person accepts the idea that "perfect societies" can be created by creating "perfect persons" through genetic selection, then life loses its right to existence and becomes a matter of property. The idea of "supremacy/perfection suggests that the person becomes a slave to the state, and has no value outside its ability to serve the state. When most people take the time to actually think about the validity of Hitler's Final Solution, the extermination of all "inferior" races, repugnance overwhelms the soul. Yet, in our culture's fascination with the concept of a "perfect society, free of disturbance" we are steadily moving toward a repeat of the horrors of Auschwitz.

Not only will America never be great, the world will only become darker as long as people of "good will" tolerate the attitude that life is a privilege for some and not the right of all. However, when I refer to "LIFE" I am referring to an aspect much larger than the mere birth of a person; I am referring to every aspect of life that impacts every person's wellbeing. The fundamental dignity of every human being is not a function of one's nationality, one's ethnicity, nor is it a function of one's gender. The value of personhood is not measured by an ability to "contribute" but completely in its existence in God's love. Until we as a nation, a people of God can embrace the right of every person to food, education, meaningful employment, healthcare, a living wage, respect, and security, we will continue on a path toward atrocity in the name of elusive "greatness".

ST VINCENT DEPAUL

1581
1660

The Fourth of July marks the day the Continental Congress met in Philadelphia and formally separated from the British Empire. Fifty-six men signed the Declaration of Independence, some of those names we know and thousands who died for freedom are nameless. They died for a noble cause; they died for you. As we celebrate may we think of freedom, not as the right to do as we please, but as the opportunity to do what is right. While shopping for your family gatherings this week, remember those who are less fortunate.

Our Pantry really needs:

- All Soups
- Spaghetti Sauce - especially cans, but jars too
- Rice-a-roni
- Mashed Potatoes - especially pouches
- All Fruits - especially Pineapple, Pears & Peaches
- Frosting
- Laundry Soap
- Dish Soap

We are also running low on:

- Gender Neutral or Women's Deodorant
- Kleenex
- Crackers
- Cereal
- Brownie Mix
- Cookies & Graham Crackers
- Candy

God Bless America!

BABY PANTRY

Many of you have contributed, and we are most grateful. Know that your Baby Pantry here at St. Isidore Church gives your donations directly to moms in need. Money donations are used to purchase needed items. GOD BLESS YOU!

If possible, please donate:

- Baby lotion
- Baby shampoo or wash

"In James 2:17, we read that unless our faith is accompanied by works, our faith is dead. Let's roll up our sleeves and get to work. There's plenty to do." (Dave Branon)

PRAYER BLANKET MINISTRY

Prayer blanket & shawl ministry opening this week!

Wrap someone in a prayer blanket or shawl. These blessed items, and blessed rosaries, will be in the St. Isidore office starting Thursday, July 5th. We offer these to parishioners to give to a family member or friend with a serious illness or a need for comfort. There will be no charge for a blanket, shawl, or rosary. Donations are not necessary, but will be accepted and used to replenish our supply. Our ministry volunteers always pray for the health and well-being of the recipient persons.

We ask that you share this new ministry with other parishioners

ADORATION CHAPEL

EUCCHARISTIC ADORATION TIME AND LOCATION CHANGE

As Vatican II taught, the Eucharist is "the source and summit of Christian life" (Lumen Gentium, 11), most prominently at the Mass, of course, but also in Eucharistic Adoration. What Can be more important?

(hprweb.com.June2018)

The Worship Commission and the Parish Leadership Team would like to make you aware of changes to the Eucharist Exposition and Adoration Chapel hours and location.

Beginning July 10, 2018, the Chapel will move to a more suitable location in the Resource Center (by the Rosary Garden entrance), near the beautiful stained-glass window depicting the Eucharist. This worship area will be available on Tuesdays from immediately following the 8 a.m. morning Mass until closing Benediction, which will begin at 6 p.m.

There will no longer be Adoration hours on Wednesday and Thursday.

The Holy Hour before morning Mass on Tuesdays and Fridays, which includes Exposition and Adoration of the Blessed Sacrament from 7 a.m. to the beginning of Mass, remains unchanged.

There need be no formal format to private Eucharistic Adoration. Say the Rosary or your favorite prayers, read scripture, talk to the Lord and share your burdens, or just sit in His presence and let Him speak to you.

Feel free to stop in anytime; spend a few minutes or an hour, or, if you would like to sign up as a regular Adorer during any time period for the Tuesday hours there is a signup form at www.stlsidore.church/adoration-chapel or contact the office at 586-286-1700.

Contact Dave Bisdorf at 586-202-7000 if you have any questions.

YOUTH MINISTRY

The archdiocesan Youth Ministry Office is offering the "Passing on the Faith" presentation for parishes to host for their parishioners who are parents of school-age children.

"Passing on the Faith" assesses young people and their faith, examines how parents can better inspire faith in future generations, and addresses practical issues such as how to talk about the Catholic faith and its traditions with children, and model the faith as parents.

Thanks to CSA gifts, the Youth Ministry Office is able to provide presentations like these to foster the spiritual and personal growth of archdiocesan youth.
